SUMMER INTERNS 2022:

The preferred applicants will be at least third year university students, preferably in the field of Finance, Banking, Accounting, Economics or other relevant area. They will be comfortable in using English both in business correspondence and daily communication and will be willing to spend their summer in gaining practical knowledge and experience in a financial institution

We offer a two- to three-months internship, carried in a highly professional environment, built on actual work-related activities in the assigned departments.

The duration of the program depends on the various Departments’ needs.

If you find the above proposal appealing and in correspondence with your summer plans, please send you CV to careers.bg@ingbank.com quoting the **Summer Internship Program 2022** in the mail subject. Though it is not a must, a short cover letter, describing your areas of interest and why you would like to participate in the program would be appreciated.

Only short-listed candidates will be contacted.
