ING wins Green bond of the Year

Best Trade Finance Provider CEE 2023

We are looking for our future colleague to join us:

Economic Research Trainee

ING Bank N.V. Hungary Branch has been providing financial services to large companies in Hungary since 1991. ING is a global bank with a strong European base. Our more than 60,000 employees serve around 37 million customers, corporate clients and financial institutions in over 40 countries. Our purpose is to empower people to stay a step ahead in life and in business. ING is a market leader in sustainability and wants to play an active role in stopping climate change. We finance a lot of sustainable activities, but we still finance more that's not. See how we're progressing on ing.com/climate.

About the job:

- Prepare macro analyses and presentations
- Support of media communications
- Monitor financial markets and analyse world economic news
- Provide support for the Financial Markets team

Requirements:

- Ongoing Msc studies in Economics
- Strong communication skills
- Excellent command in English (written and spoken)
- Eligibility to work in min. 30 hours per week
- Accuracy and good time-management skills, strong work ethic
- Good computer literacy (MS Office tools & AI tools)
- Experience in econometric programs and programming (e.g. EViews) is a plus

What we offer:

- Multinational environment, international corporation and a diversity of cultures
- Modern, pleasant work atmosphere, flexible hybrid way of working, great technical equipment for home office as well
- We treat each others as partners, age makes no difference for us
- We deliver responsible job and look for challenges
- We provide personal and professional development opportunities
- We offer competitive compensation, various benefits, with a focus on wellbeing
