## Overview

ING's global Sustainable Finance team has over 50 members covering APAC, Europe and the Americas. We were one of the first banks to house a dedicated Sustainable Finance team.

We use our financing, advisory products and services to actively support clients transition to new sustainable business models that will ensure their success in the future. As a financial institution, we can play a role by financing change, sharing knowledge and using our influence.

## Commitment to Sustainability

ING structured the **world's first Sustainability-Linked Loan** and consistently ranks as an industry leader in terms of ESG origination and structuring.

ING also structured the **first sustainability-linked club loan in Asia** with Olam International in 2018.

## Extensive Sustainable Finance Product Suite

ING Sustainable Finance has a full product suite with deep experience structuring **Green Bonds, Social Bonds, Sustainability Bonds, Sustainability-Linked Bonds, Sustainability-Linked Loans, Green Loans, Supply Chain and Receivables Finance, Derivatives, Swaps**, and providing **ESG advisory services**.

## Awards and Recognition as a leader in Sustainable Finance

**GlobalCapital**

### APAC:

- Environmental Finance Bond Awards 2023
- The Asset Triple A Sustainable Infrastructure Awards 2023
- The Asset Triple A Country Awards for Sustainable Finance 2022
- The Asset Triple A Sustainable Capital Markets Awards 2022

Society is transitioning to a low-carbon economy. So are our clients, and so is ING. We finance a lot of sustainable activities, but we still finance more that's not. See how we're progressing on [ing.com/climate](https://www.ing.com/climate)
